**Order**

In alignment with the directives of the All India Council for Technical Education (AICTE) to strengthen the research ecosystem in technical institutions, a dedicated Research & Development (R&D) Cell is established at this institution. This initiative aims to foster research, innovation, and enhance industry-academia collaboration in line with the nation’s innovation-driven growth agenda.

The R&D Cell is hereby constituted with immediate effect to oversee and facilitate research and development activities within the institution. The cell will comprise the following faculty members.

- **Ms. Greeshma N Gopal, AP(CS), Coordinator**
- **Ms. Mitty George, AP(EC)**

**Responsibilities of the R&D Cell:**

1. To promote and coordinate research and innovation activities among students and faculty.
2. To establish collaborations with industries and research organizations.
3. To facilitate the procurement of research grants and funding.
